EXPERIENCE

Academic Trainee | G&PS Indust & Infrast Adv, KPMG India Services *LLP,* Gurugram, India (June – August 2026)

- Built the Smart Transit Analytics & Reporting System in R Studio for a transportation department client: a web-based bus analytics platform that syncs operational and passenger-count data with electronic ticketing data into a persistent, queryable database, giving the client one reliable source of truth.
- Designed the core analytics to surface revenue leakage (ticket vs. passenger-count mismatches, fare misreporting, unresolved ticketing gaps) and operational bottlenecks (occupancy overflow, on-time performance, delay accumulation) at the city, route, bus, trip, and stop level, so decisions could target specific problem areas.

Academic Trainee | G&PS DGA Team KPMG India Services *LLP,* Gurugram, India (June – August 2025)

- Analyzed Ease of Doing Business for municipal corporations, focusing on OBPAS and related services; documented service workflows through research and process flowcharts, and designed UX concepts in Canva and Figma.
- Supported the Government & Public Services – Digital Government Advisory team with client-facing deliverables and documentation.

Digital Accessibility Student Assistant | University of San Francisco (October 2026 – Present)

- Remediate Canvas course content and digital documents to meet WCAG 2.2 AA, fixing HTML structure, headings, alt text, and tagged PDFs (Adobe Acrobat) so materials work with assistive technology.
- Test content with accessibility checkers and keyboard/screen-reader navigation, and support faculty in keeping courses accessible to all students.

ISSS Student Assistant | International Student & Scholar Services, University of San Francisco (August 2026 – Present)

- First point of contact for international students and scholars at the ISSS front desk, resolving inquiries and processing document intake accurately. Support office operations through data entry, event logistics, and campus outreach.
- Manage ISSS social media and website content, creating graphics, reels, flyers, and workshop video edits that boost student engagement.

Community Assistant | Student Housing, University of San Francisco (January 2026 – May 2026)

- Provided front-desk customer service and resource support to residents, maintaining a safe, secure, confidential, and welcoming hall community.

International Community Intern | Cultural Centre, University of San Francisco (Dec 2024 - May 2025)

- Developed and hosted community-building programs that fostered cross-cultural engagement and intercultural dialogue for international students.
- Created original social media content for Cultural Centre events to increase student engagement and programming visibility.
